

## Mississippi Robotics Goals

- 1) To produce motivated students in the science, technology, engineering, and math (STEM) areas,
- 2) to encourage students to stay in high school,
- 3) to encourage students to increase their math skills,
- 4) to give students opportunity to create, document, and present their ideas,
- 5) to give students engineering-related knowledge and skills by working with hands-on projects,
- 6) to help prepare and encourage students to attend college,
- 7) to help students become aware of science, technology and engineering careers.

# Rural Robotics Competition

A Mississippi statewide event for all Students grades 3-12.

P.O. Box 426 • Woodville, MS 39669  
MississippiRobotics.org

Representing Organization \_\_\_\_\_

Date of this Competition is April 30, 2016

Your Robotics Student \_\_\_\_\_

## Friends • Family • Youth Sponsoring Businesses

Please consider sponsoring your local student who will be participating in our statewide Rural Robotic Competition. Your sponsorship helps cover your student's entry fee, lunch and awards. Let your student know you are proud of them and want to sponsor their efforts. Your name will be on a very large banner as sponsor of your local student at the competition.

## Choose one or more banner ads

Individual Name (e.g. Judy Brown) \$50.00

Family Name (The Brown Family) \$100.00

Business Name (Brown Construction) \$200.00

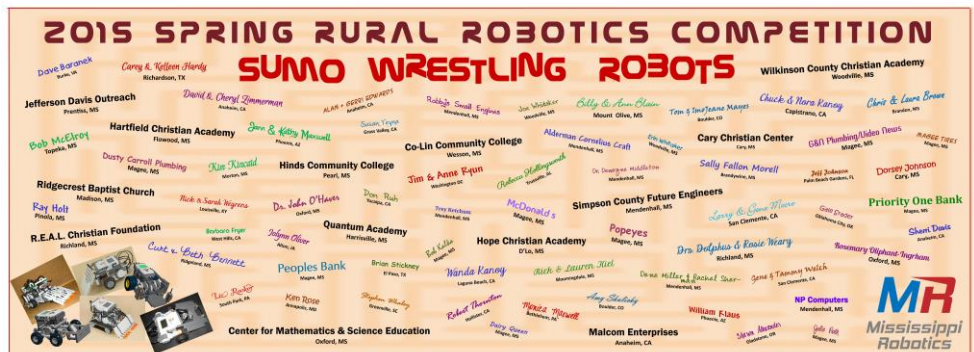

The larger amount is a larger size name

Sponsorships DEADLINE is April 16, 2016

Please make checks payable to Mississippi Robotics

All donations are tax-deductible.
